

**SPANISH
SNOG-UP!**

At last! A bit of good luck for the Lockheads, *Eldorado's* answer to the Grants of *Brookside*. Nessa is about to fall in love.

"She's a little wary of Razor," explains 18-year-old Julie Fernandez, who plays her. "She wants to make sure that he sees her and not the wheelchair, and that's my attitude to relationships too."

But being a Lockhead, things don't go smoothly. "Her dad's over-protective and he's always hanging around when Razor tries to kiss me!"

Razor is played by 17-year-old newcomer Kevin Hay who actually went to school with Josh Nathan, who plays Nessa's brother Blair.

"We did our GCSEs together out here in Spain," says Kevin, "and it's helpful to have him around on set, pointing me in the right direction."
